**Remarks**

The present response is intended to be fully responsive to all points of rejection raised by the Examiner in the Office Action dated April 21, 2005, which points applicant respectfully traverse. Favorable consideration and allowance of the application is respectfully requested.

**CLAIM REJECTIONS**

**35 U.S.C. § 112, Second Paragraph Rejection**

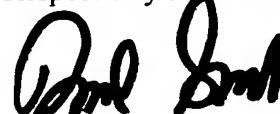

Claims 1 – 100 have been rejected under 35 U.S.C. §112, Second Paragraph, as representing an undue multiplicity of claims. While traversing this rejection, Applicant selects claims 1 – 25 for examination, and cancels claims 26 – 100 without prejudice or disclaimer. Applicant notes that the cancellation of claims in response to a multiplicity rejection is purely administrative in nature, and is not done in response to a rejection of claims on the merits. Thus, Applicant reserves the right to request the reinstatement of cancelled claims in this application or to file one or more continuation applications including any cancelled claims.

Favorable action on this amendment is courteously solicited.
